Location

The municipality of Bad Gastein (approx. 5838 inhabitants, 1002 m above sea level) is a world-famous spa and winter sports resort in the Gastein Valley. The special feature of Bad Gastein is the location of its centre. It was built on the steep slopes around the waterfall and is characterised by steep and narrow streets. Due to the lack of space, space-saving high-rise buildings were built on these cliffs. These still characterise the townscape of Bad Gastein today. Enjoy the fresh mountain air at over 1000 metres above sea level. Bad Gastein lies fog-free in the middle of the Hohe Tauern National Park. Whether summer or winter, Bad Gastein offers a variety of sporting opportunities. In summer you will find over 350 km of well-marked hiking trails, countless family-friendly cycle paths, several outdoor swimming pools, tennis courts, an 18-hole golf course and much more. In winter, the Gastein valley with the ski area Stubnerkogel - Angertal - Schlossalm, Dorfgastein - Großarl and Sportgastein offers a great variety of ski slopes, which take you up to 2700 meters above sea level with a total of 200 km of slopes and 51 lifts. With more than 90 kilometres of groomed and perfectly groomed cross-country trails, the Gastein Valley is also a paradise for cross-country skiers. The Alpen Therme in Bad Hofgastein, the Felsentherme in Bad Gastein or the Heilstollen in Gastein also provide recreation and relaxation. Infrastructure: The nearest railway station is in Bad Gastein. The nearest airports are: Salzburg (94 km) and Munich (204 km).
