## Location

The village Fieberbrunn is located in the year-round vacation region Pillerseetal. The towns of Kitzbühel and St. Johann in Tirol are only a few minutes' drive away. Things get especially casual in the winter: Fieberbrunn is part of the Skicircus Saalbach-Hinterglemm-Leogang-Fieberbrunn with about 270 kilometers of slopes, other ski areas in the neighborhood: Hochfilzen, St. Ulrich am Pillersee, St. Jakob in Haus and Waidring.

In summer, 3 mountain railroads are in operation and with over 400 km of hiking trails, everyone can enjoy pure nature. But also several swimming lakes and outdoor pools, countless bike paths as well as tennis courts and golf courses are in the immediate vicinity.
